

Our promise to Time Link Cargo.

Time Link Cargo is a privately owned logistics Company. Headquartered in Cape Town, and operating branches nationwide, the company offers specialist service in the areas of long distance transport, national distribution, warehousing and logistical solutions.

Time Link Cargo's outstanding industry reputation for innovative introductions, logistical solutions and efficient controls is bolstered by a supremely consumer-centred attitude and a highly motivated team.

Business relationships translate into partnerships with due regard for the specific needs and preferences of individual clients.

Mutual understanding and uncompromising commitment to collaboration form the basis of sound strategic planning and objectives jointly achieved.

That's why Time Link Cargo relies on Scania as a one-stop shop for all their needs. Our promise to Time Link is this: whenever we deliver vital parts for their trucks and trailers, repair and maintain

their fleet, train their drivers to save fuel or finance a new purchase, we take pride in offering Time Link the right services to keep their business growing.

Like we promise everyone who operates a Scania.
